### Company Profile 2010 Industrial Technology Supply Co., Ltd.

**Managing Director**  
**General Manager**  
**Engineering Manager**  
**Established:**

Karl-Heinz Pierz  
Nuntasak Laohaviroj  
Pornchai Khorporn  
1993

#### **Company Profile:**

- Privately Owned Company
- One-Stop-Shop Solution Provider for:
  - Industrial DataCom Systems (fiber, wire & wireless)
  - Industrial Control & Visualization Systems
- Authorized Representative/Distributor of World Class Manufacturers
- Providing full technical Support (pre & post sales) for all represented Products

#### **Company Mission:**

We are doing our very best to offer best quality and highest reliability Industrial Grade Products at affordable cost.  
Our value-added Services shall meet Customers' Expectations with on-time Delivery and professional technical Service and Support

#### **Technology Focus:**

##### **Industrial Control Solutions**

###### **Factory Automation, Machine Control, Process Control**

- PLC Control with fully integrated Visualization and multi-axis Motion Control

###### **Supervisory Control, Monitoring**

- SCADA Software (**S**upervisory **C**ontrol and **D**ata **A**cquisition) with fully integrated Internet Connectivity and Soft-PLC
- Operator Panels, Industrial PC's

###### **Industrial Data Communications**

- Fiber-, Copper-, Dial-Up-, Leased Line- Modems
- GSM/GPRS/EDGE/3G, 2.4 GHz Wireless LAN etc.
- Ethernet switches (managed or unmanaged), Media converter

###### **Process Control Systems:**

- Paper, Steel, Ceramics, Pharmaceutical, Food, Animal Feed etc.
- Municipal Wastewater Treatment Controls

###### **Machine Control Systems:**

- Paper, Packaging, Printing, Textile, Plastic, Batching

###### **Monitoring Solutions:**

- Nationwide Meteorological Data Acquisition
- Early Warning Systems
- Bangkok Flood Control Center
- River Flood Monitoring and Forecast Systems
- Pipeline Supervision (Bangkok Water Supply)

#### **Company Experience:**

**Technical  
Capabilities  
Value Added  
Services:**

- System Design, Application Program Development, Installation, Commissioning, After sales Service, Spare Parts, Repair Service
- Maintenance Services for Supplied Equipment
- Technical Training for Engineering, Maintenance and Operators
- Product Stocking, FAST DELIVERY

**Products:**

**Supervisory Control and Data Acquisition (SCADA) Software**

**Wizcon (France):** High Performance PC based Industrial Supervisory Control Software

- SCADA with free and fully integrated Internet Connectivity
- Free and fully integrated Soft-PLC, OPC Client, ODBC
- Hot-Backup, True Online Editing, Vector based graphics

**PLC Systems, Industrial PC, Operator Panels, Motion Control**

**B&R (Austria):** Innovative PLC Systems

- Real-time Operating System
- High Memory Capacity (up to 16 GB removable Flash Card)
- Program execution in fast DRAM, aPCI fast Interfaces, USB data ports
- Gig Powerlink Control & Remote I/O System Fieldbus
- Integrated fast Ethernet Ports
- PowerPanel integrating Display, high power control (PLC OS)
- Servo Controllers and Motors, Gig Fieldbus
- Integrated Engineering Platform for PLC, Panels & Motion

**Industrial Data Communication**

**WESTERMO (Sweden):** Ethernet (Ring) Switches, Fiber Optics-, Copper Cable-, Dial-Up-, Leased Line- and GSM/GPRS Modems for Profibus, Serial, Single- & Multi-Mode Fiber, Redundant Fiber Ring

**Maestro (HK):** Industrial GSM/GPRS Modems

**SpiritIT (Holland):** Flow Computers & Software Solutions for Oil & Gas

**Industrial Switching Power Supplies, Surge Protection**

**TRACO POWER (Switzerland):** Highly Reliable AC/DC, DC/DC, DC/AC; Parallel Operation, Redundancy, DC-UPS

**1+ POWER:** Economic Industrial Switching Power Supplies  
Solid performance at reduced cost, Din-Rail and panel mounted versions

**ISKRA (EU):** Industrial Surge & Lightning Protection
